PONDER YOUTH. He is in the twilight of his life in which the seedlings of sacrifice, determination, creativity and inspiration blossom into manhood with an optimistic hope for future generations. YOUTH comes but once in a lifetime, bringing with it experiences of trial and error, happiness and sorrow, joys and disappointments. As we make new acquaintances, we will encounter love and hate. YOUTH is the budding of a person when new talents are brought out, aspects of life are revealed and his goals in life are formed. It is becoming harder and harder to be young when the YOUTH of today are victims of prejudiced beliefs. While we try to change these beliefs, we still have to cope with the ever-present problems of drug abuse and crime. Those who help us the most during these trying times are OUR TEACHERS, who have dedicated their lives to us, the YOUTH of Oakville Senior High School.

In appreciation of their long, hard hours, during and after school, and their patient help and understanding in helping us to change from carefree youths of today to self-reliant young adults of tomorrow, We DEDICATE this 1973 yearbook, with life-long appreciation, to the FACULTY of OAKVILLE SENIOR HIGH!!

# Youth Looks

With the construction of the new three additions to the present school, we look forward to the four-year school implemented in the 1973-1974 session. In that year, the first class of about 150 Seniors will graduate from Oakville Senior High School.

The hard-working Student Council began its '72-'73 campaign with the election of officers in October. The races for all of the offices were close which led to an exciting climax on election day. Throughout the year the Student Council strived to make O.S.H. a better and more interesting place to go to school. They tried to make contributions to the district by helping in the bond issue campaign in February. Also, the Variety Show was sponsored on March 9 by the Student Council.

ARTHUR C. VOERG  
B.S. in Ed., U. of Fla.  
M. Ed., U. of Fla.

Since the opening of the Oakville Senior High School in September of 1970, hundreds of students have attended class, walked our halls, and contributed to the development of the Oakville Senior High School traditions. The students, faculty and the administrators who have been involved with the school for the past three years are to be sincerely commended for their work in giving the Mehlville community another outstanding senior high school.

It is with a great deal of pride and satisfaction that I would like to thank each of these people for their involvement in our task and their contribution to attaining our goals for it is only through a joint effort that we can hope to be successful.

## *Solid Team Effort Provides Electrifying Season.*

The Tiger Cross Country team closed the season with a fine record of 4-3. Individual performances by Mitch Aguilar, John Joehnk and Kevin Iggens led the way as the Tigers battled stiff competition. The main factor in their successes was a feeling of true togetherness, psyching the team, which stayed with them through victory and defeat.

# *The Tigers Pull Through The Season With Many Fond Memories.*

by Rick Watson

Although finishing with a disappointing record of 1-3-1, the fighting Tigers of Oakville Senior High School displayed fine effort and stamina. The offense led by Steve Cliffe at quarterback, the running by Kerm Schneider, and the receiving of Barry Zumwinkel were constant threats to score at any time. The defense led by Jeff Lamantina and Dave Cooper kept the opposing offense on their toes at all times. The big highlight of the frustrating season was the thrilling 17-16 win over the Cougars of Afton when with less than twenty seconds remaining, Steve Cliffe booted a twenty yard field goal to win a satisfying victory.

## *Winning Ways Elude The Tigers.*

The lanky cagers, although finishing their frustrating season with a record of 4-8, displayed fine team effort with flashes of a championship team. Led by the outside shooting of the baseline bomber Dan Farrow who averaged twelve points a game, the team contributed with jumping Steve Reise and Mark Wegener getting the rebound. With Carl Moritz setting up the plays, the team set a new school record for scoring against East Ladue. A mid-season injury to Ed Woebel hurt the Tigers, but they showed good depth with performances off the bench by Terry Burke and Rick Watson.

ROW 1-S. Bowen, M. Wegener, E. Woebel, D. Farrow, D. Kalista, T. Burke, R. Wilcox, C. Moritz, R. Watson, K. McClean, D. Witt. ROW 2-Coach Strathmann, M. Shumake, H. Tschanen, D. Crecelius, M. Let's keep them from scoring!

A long ride home for Tony Lupo.

It's rather icy out here, Coach!

A snoozing bus ride for Ed Cervera.

The kickers of O.S.H. finished the long, icy season with a perfect (10-0-0) mark. While the strong offense, led by the scoring of Dale McCrea, averaged over three goals a game, the real backbone of the team was the defense inspired by John Gorman and Mark Baetge, who allowed only three shots a game. In the nets goalies Mike Gormley and Ed Williams combined to hold the opposition to only ONE goal!\*\* The real spark of the team, Ken (Gizzy) Richter, engineered the tremendous team play.

Dear Freshmen, Class of '76:

Over the past year, the yearbook staff had tried to capture and put into print the moments which we thought were most memorable during your Freshman year at Oakville Senior High School.

It is with the patience, help, time and efforts of many people, namely, Mrs. Lajcak, our sponsor, Mr. Combs, the yearbook company representative and Mr. Karcher, the club photographer, who helped us to produce such a memory-filled book as this. Also, we must not forget the efforts of our dedicated staff. Many long nights after school were required to meet endless deadlines in making our yearbook the best possible.

As you grow older and look back upon this unique book, you may recall the "Springtime of your Youth" and its many bright, fun-filled moments.

Sincerely,

*Chris Renaud*
